CLP Tuition Assistance Application

The Community Leadership Program (CLP) includes participants who represent the diversity of our community. This includes diversity of income and organizational affiliation. Financial need should not be a barrier to participation. To that end, CLP provides scholarships to a select number of applicants, based on financial need.

Please check the scholarship(s) you wish to be considered for.

- The Greater Iowa City, Inc.'s scholarship:** this is worth \$1,500, or 50% of tuition. Priority will be given to employees of non-profit organizations or self-employed or unemployed individuals. One is given each year, based on financial need.

- The Community Foundation of Johnson County scholarship:** this is a full scholarship for 1) individuals working in the nonprofit sector with demonstrated need from the organization that they cannot afford to sponsor enrollment on their own or 2) any member of an underrepresented group working within in any sector, with expressed financial need and also have an employer who is unable to provide financial support for participating. Two are given each year.
